

UNEP-DHI Partnership is looking for an intern to support implementation of projects

The UNEP-DHI Partnership is a United Nations Environment Programme (UNEP) centre of expertise dedicated to improving the management, development and use of freshwater resources from the local to the global level. UNEP-DHI is hosted at DHI headquarters in Hørsholm. DHI is an independent, international consulting and research-based not-for-profit foundation of more than 1000 employees, with offices in 30 countries, and with more than 50 years of experience in water resources management.

We are currently looking for a full time intern to support implementation of a number of projects at UNEP-DHI.

Main tasks will include:

- Development of the Water Indicator online tool, (specifically research for, and preparation of underlying metadata sheets for various water indicators)
- User testing, feedback and other ad hoc support the DHI's Serious Game Aqua Republica
- Preparation of climate change adaptation measure/technology descriptions for a publication
- Collection of case study information on Green Infrastructure cases in the water management sector
- Assistance in preparation of reports, figures, graphs, various data analysis on ad hoc basis.

Qualifications:

- Previous work and/or study experience within area of water resources management , water governance (applicants with corresponding experience within boarder natural resources management will also be considered)
- Excellent English command (spoken and writing) is required
- Able to work independently and work from head office in Hørsholm on full time basis
- Familiarity with the basic MS Office programmes – Word, Excel, Outlook is required. Experience in using Excel for statistical analysis an advantage
- Knowledge of Wordpress website management a strong advantage

Intern will get a hands-on experience working with datasets of global scale, as well as possibility to familiarize with the work of the UNEP-DHI and UNEP, introduction to work with environmental indicators and practical experience with other UNEP-DHI activities, depending on the work load.

The internship will be full time, starting in Mid-February for a minimum of 3 months.

The internship is paid (monthly salary corresponding to the official SU rate of 2017). UNEP-DHI Centre will also cover lunch and transport expenses to the head office, for the duration of the internship.

Please submit your application or further questions to Maija Bertule (mabe@dhigroup.com) no later than February 10th. Interviews will be scheduled during week of February 13th.
